Virtual Ropecon Code of Conduct

Joining the Ropecon Discord server requires accepting this Code of Conduct.

- Respect others on the platform. Do not belittle, call names, insult, or deliberately offend other users. Do not make assumptions about gender or criticize the appearance of others.

- Take note of the fact that Ropecon is for people of all ages. Be especially mindful of harmful content when posting pictures, gifs, and links.

- Direct your discussions on Discord according to the topics of the channels and hold off-topic discussions on casual channels. Do not disturb ongoing games on game room channels.

- The main language of the Virtual Ropecon is Finnish, but you are welcome to use English on all Virtual Ropecon channels. The channel #international-meeting-point is especially for all non-Finnish speaking attendees!

The moderators can issue instructions in order to enforce the Code of Conduct. When necessary, the moderators can mute channels, remove messages, links, and pictures that are in violation of the Code, suspend users repeatedly violating the Code and/or ban users from the platform. You can report suspected violations of the code to the moderators by posting a message that starts with !report on the channel in question: for example, "!report this seems inappropriate".
